Client: Two Partner Tax and Accounting Firm

Requirement: Tax Support Services

Experienced Consultants Keeps Tax Department Running Smoothly During Turnover

Business Situation:

The client is a Two (2) Partner Accounting and Tax Firm in Valley Stream, NY. The client's tax function recently had experienced turnover in a Senior Staff position. They were in need of part-time assistance while they decided what the best long-term solution for the department would be.

ECS Solution (How We Helped):

ECS was engaged by the client to provide tax support services, assisting with quarterly and year-end income tax provisions, including reconciliations and supporting work papers. ECS assigned two consultants with industry experience to prepare business C-Corp, S-Corp and Partnership Returns for Federal, States combined while assisting with miscellaneous taxes such as gross receipt taxes and state notices.
